WEB AND MOBILE SOLUTION ARCHITECTURE & DESIGN PROPOSAL

Based on Designs for Web |
Mobile | Admin

TOPICS

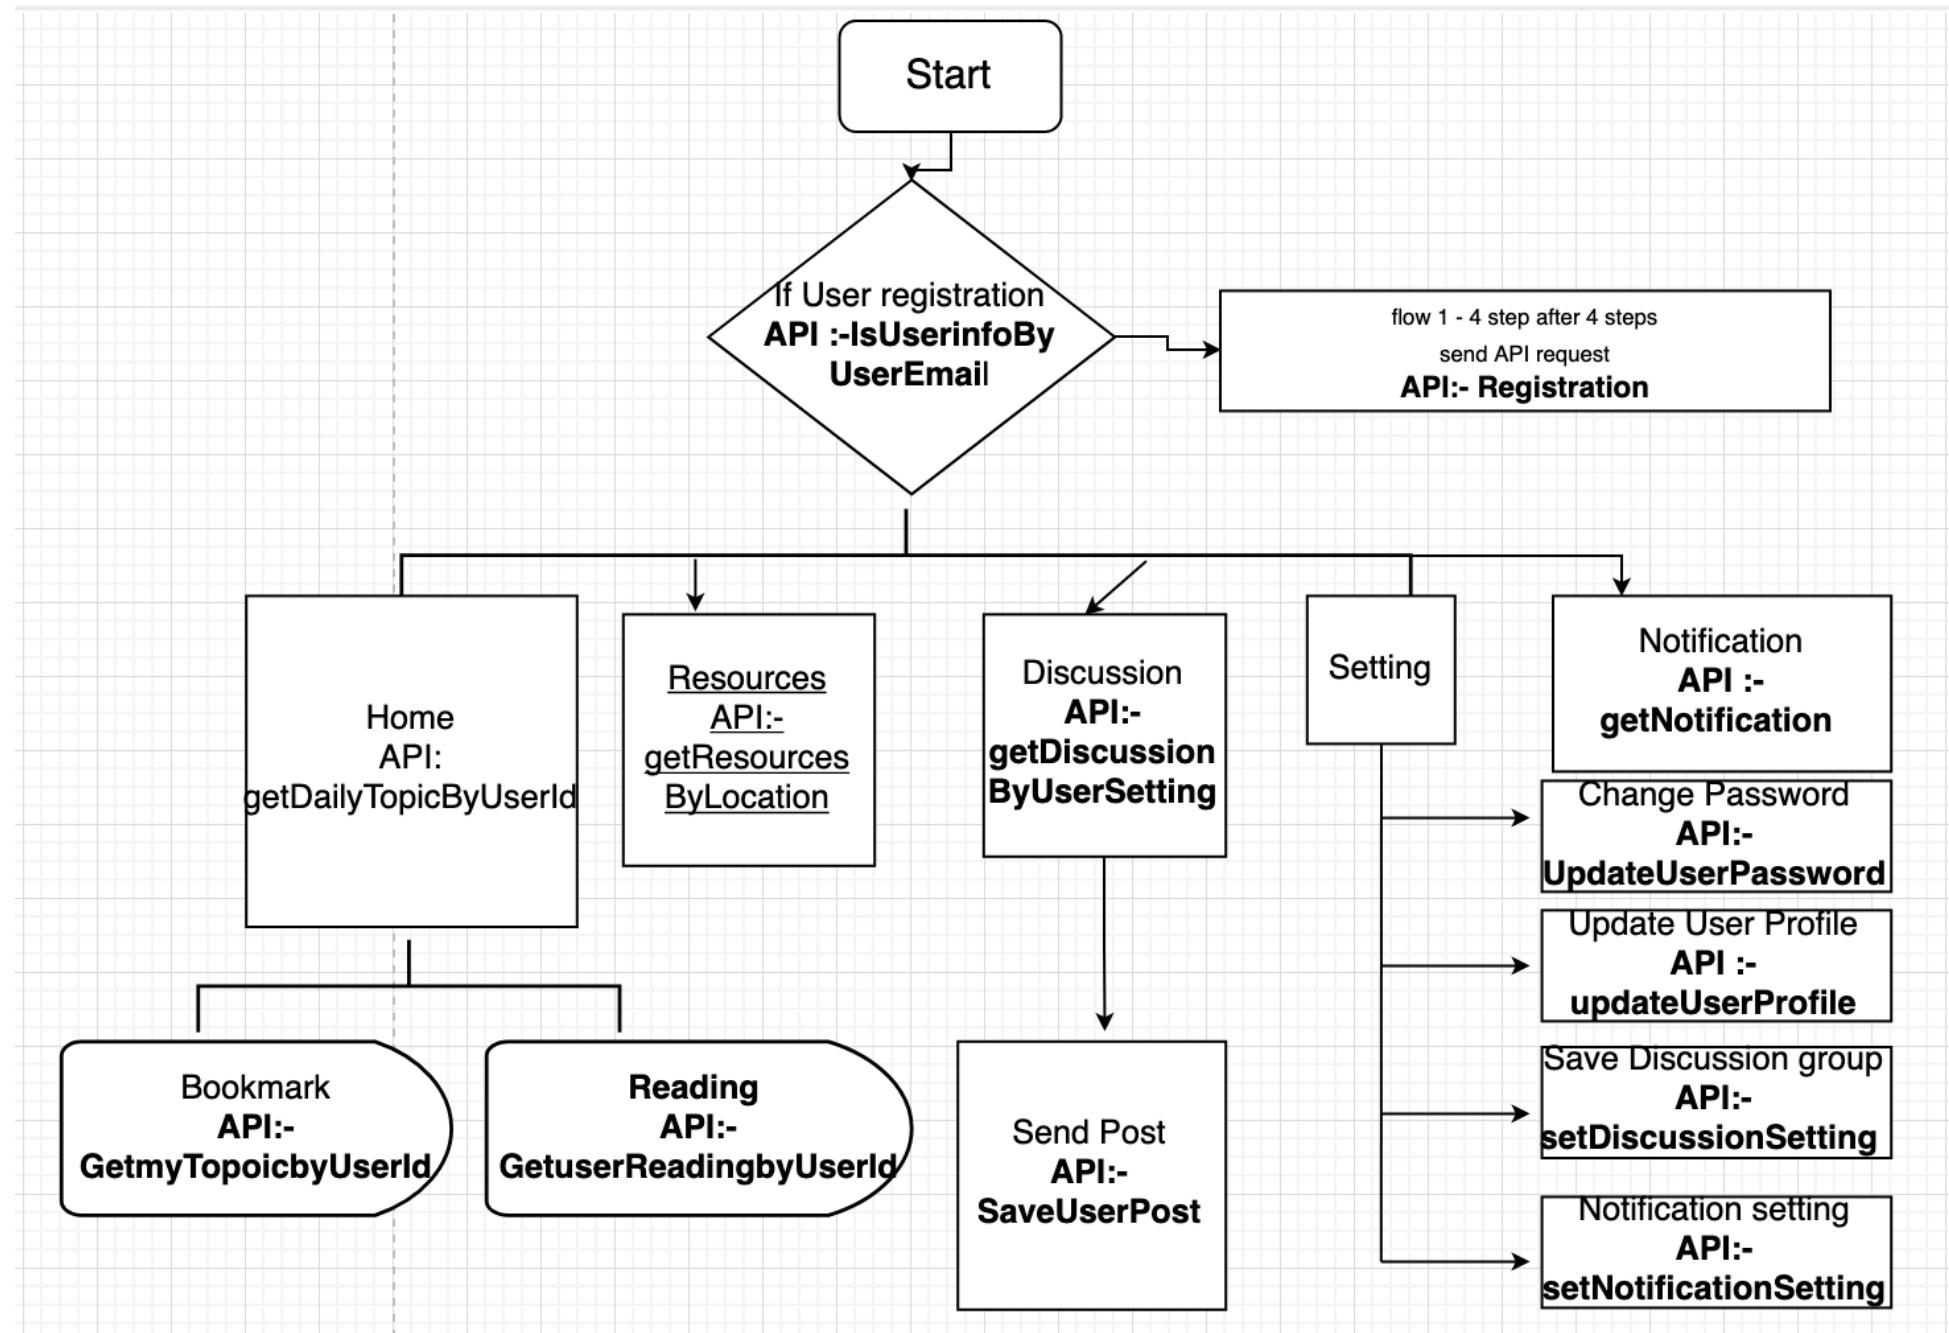

- **Executive summary**
- **Web and Mobile Flow Diagram**
- **Web Application Design Flow**
- **Moderator Design Flow**
- **Mobile application Flow**
- **API List**

Executive Summary:

The purpose of the document is to provide user the understanding of the web and mobile application through Screens and flow chart.

kennedia has included the detailed and structured description of the features, process and behaviour of the solution. It acts as the base of the solution to define, deliver, manage and operate the development process of the solution. It identifies the alternatives of the solutions and its components. It is a basic architecture of the offered solution.

Reading List Page

The screenshot shows a web application interface for a reading list. At the top is a yellow header bar with a sun icon, a search bar, and navigation links for Home, Resources, Notifications (with 6 notifications), and Screen Name. Below the header is a banner with the text "PICTURE PERFECT PERFORMANCE" and a small image of a person holding a tablet.

The main content area has a sidebar on the left with sections for "QUICK LINKS" (Depression, Stress, Anxiety, Substance Abuse, Workplace Issues), "TRENDING TOPICS" (Post title one, Post title two, Post title three, Post title four, Post title five), and "RECOMMENDED FOR YOU" (The effective forgiveness on mental...). The main content area displays a "Reading List" tab, a "Post title" by John Doe (3h ago) with a preview of the text, and a "Topic heading" section with a graduation cap icon and the text "300 x 300". On the right, there's a "ADD TO YOUR FEED" section with profiles for John Doe, Marry Sai, and David Simon, each with a "Follow" button.

Get All type Notification

The screenshot displays a user interface for a mental health and wellness platform. At the top, there's a yellow header bar with a sun icon, a search bar, and navigation links for Home, Resources, Notifications (with a red badge indicating 6 notifications), and Screen Name. Below the header is a large orange banner with the text "PICTURE PERFECT PERFORMANCE" and a small image of a person using a tablet.

The main content area has several sections:

- QUICK LINKS:** Depression, Stress, Anxiety, Substance Abuse, Workplace Issues.
- TRENDING TOPICS:** Post title one, Post title two, Post title three, Post title four, Post title five.
- RECOMMENDED FOR YOU:** A snippet about effective forgiveness on mental health.
- Your most recent notification are displayed first:** A list of four notifications from users Jane Doe, Marry Sai, and David Simon, each with a profile picture, a short message placeholder, and a timestamp (3h, 5h, 6h, 8h). Each notification has a "Follow" button.
- ADD TO YOUR FEED:** A section showing the same three users (Jane Doe, Marry Sai, David Simon) again, each with their name, a brief bio, and a "Follow" button.
- Topic heading:** A placeholder text block with a "LOAD MORE..." button below it.
- Image:** A small image of an open book with a graduation cap resting on it, with the text "300 x 300" overlaid.

Resources

The screenshot shows a user interface for a mental health resources platform. At the top is a yellow header with a sun icon, a search bar, and navigation links for Home, Resources, Notifications (with 6 notifications), and Screen Name. Below the header is a banner titled "PICTURE PERFECT PERFORMANCE" featuring a person holding a tablet displaying a video. The main content area has several sections:

- QUICK LINKS:** Local, National, Global (highlighted in yellow), Research. Below this is a section titled "Acces to Global mental health resources" featuring a card for "Psychology Today" with a "WHY DEPRESSION IS CONTAGIOUS" article.
- TRENDING TOPICS:** Post title one, Post title two, Post title three, Post title four, Post title five.
- RECOMENDED FOR YOU:** The effective forgiveness on mental... (with a preview of the content).

On the right side, there's a "ADD TO YOUR FEED" section with profiles for John Doe, Marry Sai, and David Simon, each with a "Follow" button. A "Topic heading" section follows, containing a snippet of text and a graduation cap icon.

1. getUsertopicBylocation

Parameter :- UserID , location Id , locationType

Response :- return Success Starts , Json for local result topics according to user wellness

This screenshot shows the same platform after a search for mental health resources at a specific location. The results are displayed in the "ADD TO YOUR FEED" section:

- John Doe (Depression, Stress, Anxiety, Substance Abuse) with a "Follow" button.
- Marry Sai (Depression, Anxiety) with a "Follow" button.
- David Simon (Depression, Stress) with a "Follow" button.

Below this, a "Topic heading" section is shown with a snippet of text and a graduation cap icon.

Discussion

The screenshot shows a user interface for a discussion platform. At the top, there's a yellow header bar with a sun icon, a search bar, and navigation links for Home, Resources, Notifications (with a red notification count), and Screen Name. Below the header, a banner reads "PICTURE PERFECT PERFORMANCE" with a small image of a person holding a tablet. The main content area has several sections:

- QUICK LINKS:** Depression, Stress, Anxiety, Substance Abuse, Workplace Issues.
- TRENDING TOPICS:** Post title one, Post title two, Post title three, Post title four, Post title five.
- RECOMMENDED FOR YOU:** The effective forgiveness on mental... (with a small image of a graduation cap).
- Post Area:** A form to "Write something here" with icons for camera, video, and document. A "POST" button is at the bottom right. Below it, a post by "John Doe" (3h ago) titled "Depression" is shown. The post content is placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua." Below the post are "11 Comments" and "19 Share".
- Comments Section:** Three comments are listed:
 - John Smith (Today, 12 AM): "Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis." (with a "Reply" button).
 - George Bush (Today, 2 AM): "Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis." (with a "Reply" button).
 - Alex (Today, 12 AM): "Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis." (with a "Reply" button).
- Follow Section:** A list of users to follow: John Doe (Depression, Stress, Anxiety, Substance Abuse), Marry Sai (Depression, Anxiety), and David Simon (Depression, Stress), each with a "Follow" button.

Trending

The screenshot shows a web-based application for mental health management. At the top, there's a navigation bar with icons for Home, Resources, Notifications (with a red notification dot), and Screen Name. A search bar is also present. The main header features a yellow sun icon and the text "PICTURE PERFECT PERFORMANCE". Below the header, there's a "QUICK LINKS" sidebar with links to Depression, Stress, Anxiety, Substance Abuse, and Workplace Issues. A "TRENDING TOPICS" sidebar lists Post title one through five. The main content area has tabs for Forum Posts, Trending (which is selected), Unread, and Your Posts. A central "Heading" section includes a text input field ("Write something here") with a "POST" button, and a "Depression" topic heading with a post by John Doe from 3h ago. Below this, there's a "Topic heading" section with placeholder text. A large image of a graduation cap resting on an open book is displayed. The "Comments (3)" section shows three comments from users John Smith, George Bush, and Alex, each with a reply button. At the bottom, there are navigation arrows and page numbers (1, 2, 3).

1, getUserTopicBylocation

Get All offer and ads by location

The screenshot shows a user interface for a mental health platform. At the top, there's a yellow header bar with a sun icon, a search bar, and navigation links for Home, Resources, Notifications (with 6 notifications), and Screen Name. Below the header, a large yellow banner says "PICTURE PERFECT PERFORMANCE". The main content area has several sections:

- REQUIRES ATTENTION:** A sidebar with five posts: Post title one, Post title two, Post title three, Post title four, and Post title five.
- TRENDING TOPICS:** A sidebar with five posts: Post title one, Post title two, Post title three, Post title four, and Post title five.
- QUICK LINKS:** A sidebar with categories: Depression, Stress, Anxiety, Substance Abuse, and Workplace Issues.
- Global Section:** A tab labeled "Global" is selected. It displays "Acces to Global mental health resources" with a thumbnail of "Psychology Today" magazine and three interaction buttons: Bookmark, Reading List, and Forward.
- User List:** A sidebar listing users with their names and interests:
 - John Doe: Depression, Stress, Anxiety, Substance Abuse.
 - Marry Sai: Depression, Anxiety.
 - David Simon: Depression, Stress.
- Topic heading:** A section with placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis."
- Image:** A graduation cap resting on an open book with the text "300 x 300" overlaid.
- Pagination:** At the bottom, there are navigation arrows and a page number indicator: ← 1 2 3 →.

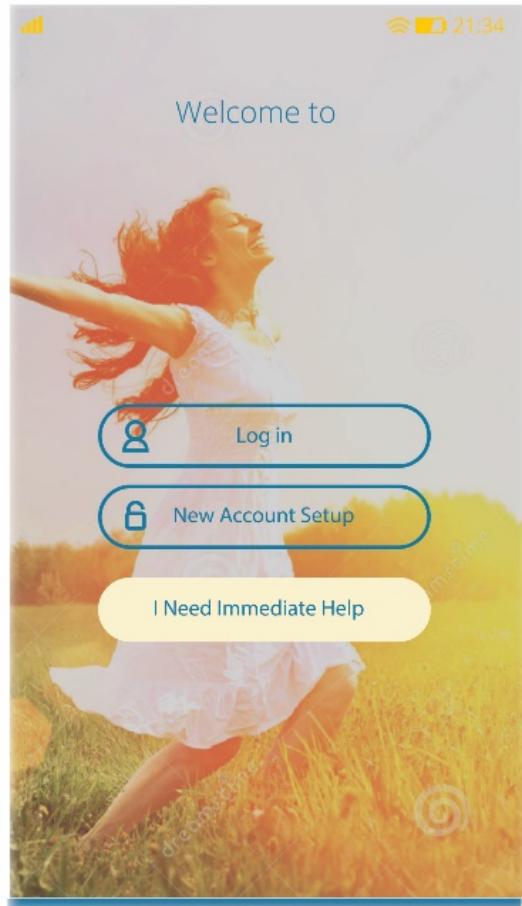

Parameter :- UserID , location Id

Response :- return Success Starts , Json for user and follower post message in global

This screenshot shows the same platform after applying the `getUserTopicBylocation` API. The "Global" section now displays research results related to mental health. The "REQUIRES ATTENTION" and "TRENDING TOPICS" sections remain the same. The "QUICK LINKS" section is also identical. The "Global" section now includes:

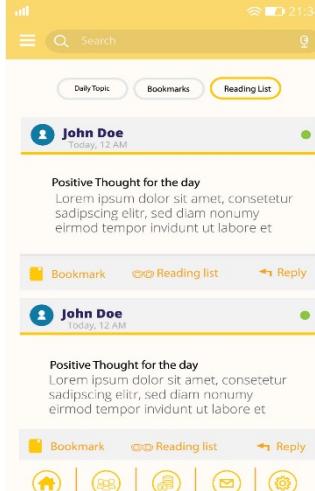

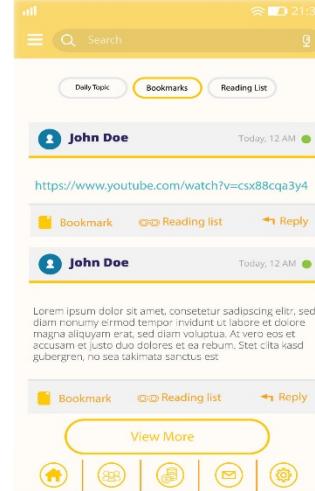

- Acces to latest in mental health ressearch based on your interest:** A list of five items, each with a green circle indicating a 98% match and a title:
 - 98% match: **The Effect of forgiveness on mental** ...
 - 98% match: **The Effect of forgiveness on mental** ...
 - 98% match: **The Effect of forgiveness on mental** ...
 - 98% match: **The Effect of forgiveness on mental** ...
 - 98% match: **The Effect of forgiveness on mental** ...
- Topic heading:** Placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Quis ipsum suspendisse ultrices gravida. Risus commodo viverra maecenas accumsan lacus vel facilisis."
- Image:** A graduation cap resting on an open book with the text "300 x 300" overlaid.
- Pagination:** At the bottom, there are navigation arrows and a page number indicator: ← 1 2 3 →.

Mobile application Design Flow

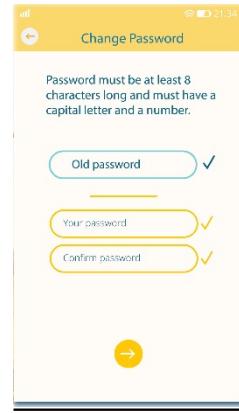

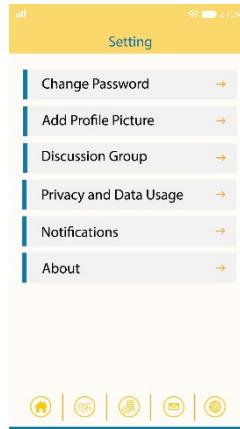

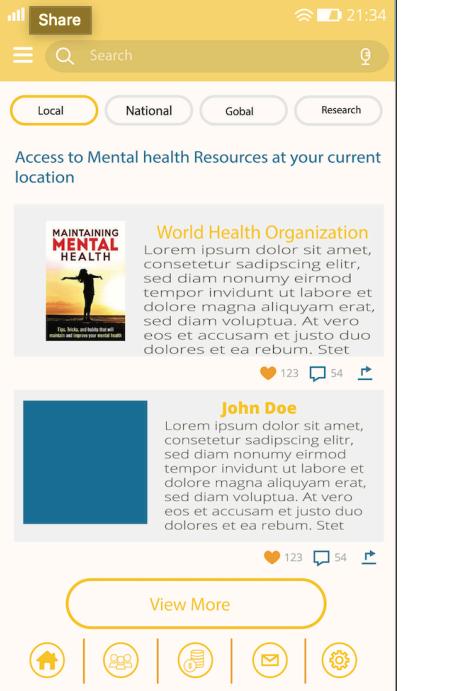

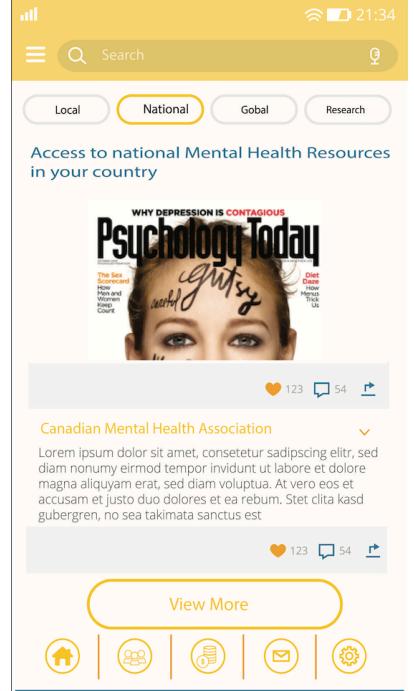

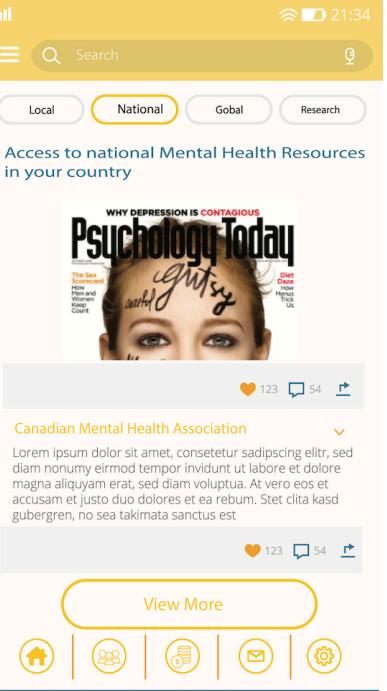

Step 1 : Provide User Name and Password	Step 2 : Select user type.	Step 3 : What type of disease he/she is looking for	Step 4: Search and select the disease. 1. API :- Registration Parameter: - Name, password, UserType, wellnesslistId , subwellnesslistID Response :- return success Starts , message in Json
 A screenshot of a mobile application registration screen titled "Step 1". It asks for a screen name, password, and confirmation. It also includes checkboxes for age (18+), terms and conditions, and privacy policy, all of which are checked.	 A screenshot of a mobile application registration screen titled "Step 2". It asks for the reason for joining the community. Three options are listed: "I Need Support", "I'm a moderator", and "I'm a Caregiver".	 A screenshot of a mobile application registration screen titled "Step 3". It asks to choose mental wellness areas of interest. A search bar is at the top, followed by a list of categories: Anger, Anxiety Disorders (General Anxiety Disorder, Social Anxiety Disorder, Seasonal Anxiety Disorder), Bipolar Disorder, Children, Youth and Depression, Depression and Mood Disorders, Eating Disorders, Griefing, Obsessive Compulsive Disorder, and Phobias and Panic Disorders.	 A screenshot of a mobile application registration screen titled "Step 4". It asks to choose mental wellness areas of interest. A search bar is at the top, followed by a list of categories: Depression, General Anxiety, Panic Attacks, Post Traumatic Stress, Schizophrenia, Stress, Relationship Stress, and Workplace Stress.
